Yarn Index

Aran Woollen Mills has a truly natural and sustainable range that stands the test of time. Our products are made from natural yarns spun with a dedication that has been passed down through many generations. All of our yarns bring the wonderful natural qualities of wool to each piece.

Supersoft Merino

SUPERSOFT MERINO COLLECTION

Supersoft merino allows us to mix tradition with luxury to knit timeless pieces in the finest merino wool here in the West of Ireland. The yarn is soft to the touch, warm, cocooning and will truly serve the wearer through the seasons.

100% Merino

100% MERINO COLLECTION

Merino wool is a durable natural yarn which helps stabilise body temperature, is odour resistant and biodegradable. Merino is softer than regular wool and is easy to wear on the skin. We have introduced exciting new styles to our 2024 collection.

Worsted Wool

100% WORSTED WOOL COLLECTION

Worsted wool is an Aran weight yarn that is designed with outerwear in mind. The traditional Aran Sweaters derived from worsted yarn. This yarn has kept generations of fishermen off the West Coast warm. This wool repels moisture due to the high levels of naturally occurring lanolin making it ideal for staying warm and dry while at sea.

Handknit 100% Merino

HANDKNIT MERINO COLLECTION

Our Handknit collection offers iconic pieces in a lofty spun 100% Merino yarn. This beautiful craft is still been knitted as it was hundreds of years ago and our garments bear intricate stitches, each with their own story to tell.

Lifestyle

LIFESTYLE COLLECTION

Our lifestyle range offers up an exciting mix of products with traditionally inspired yarns and blends from 100% Shetland Wool garments lined with cotton, flecked Donegal Wool to Ribbed Worsted Wool sweaters. This knitted collection provides both traditional and contemporary designs for functional everyday wear.
